I paul robert donnell am of the opinion that the PCBU has contravened the WHS legislation relating to:		
Contravention	More information	Was the contravention rectified?
Not maintaining a safe work environment	the testing area is outside and affected by the weather.	No
Not maintaining safe plant and structures	the equipment use was worn out	No
Unsafe use, handling and storage of plant, structures and substances	testing equipment is not stored in a safe area, all exposed to the weather.	No
Not reporting a notifiable incident	unsure weather this was reported to safe work.	No
Health and Safety Representation	there is a lack of representation in the work place. the workers don't seem interested in this but the union is in discussions with the PCBU to rectify.	No
