I Cody Hastings am of the opinion that the PCBU has contravened the WHS legislation relating to:

	Suspected Contravention	More information	Was the contravention rectified?
PCBU Alleged Contravention 1	Not maintaining safe systems of work	<p>Workplace had a serious failure of plant, resulting in 100kg of cement dust being released into the atmosphere, covering workers.</p> <p>Workplace took no effective steps to check on the health and wellbeing of workers, with them being sent back to work.</p> <p>Management did not speak with effected workers to check on their health and wellbeing.</p>	No

PCBU Alleged Contravention 2	Hindering or obstructing the EPH to exercise a right while at the workplace	Management - Peter Heading - attempted to stop me from entering site to speak with workers, to ensure they were okay, and that they knew their rights.	Yes
PCBU Alleged Contravention 3	Lack of information, training, instruction or supervision	A document was rushed around site following the incident asking workers to sign them, it is unclear what the document was, but likely a SWMS.	No
PCBU Alleged Contravention 4	Not maintaining a safe work environment	Following the incident workers were asked to go back into 'the dome' with only masks being provided, workers refused.	No
