I Jo-Anne Brown am of the opinion that the PCBU has contravened the WHS legislation relating to:		
Contravention	More information	Was the contravention rectified?
Not maintaining safe systems of work	violent and dangerous resident at workplace not dealt with and no steps to mitigate risk or situation for staff who are at risk of danger. Only solution is to hide, which puts at risk other workers and residents.	No
Not maintaining a safe work environment	No. no risk mitigation procedure has been implemented or communicated to workers despite a real and constant threat of violence at a site.	No
Inadequate monitoring of the health of workers and the conditions at the workplace	No follow up, no consultation no steps or actions taken after incident. Not responding to Health and Safety incidents when they are reported in their system.	No
Lack of information, training, instruction or supervision	cannot follow the instruction given as this will impact all the other residents.	No

Not reporting a notifiable incident	see above	No
Hindering or obstructing the EPH to exercise a right while at the workplace	manager was watching workers who came forward with concerns on a camera and questioned workers if they got "cornered".	No
Health and Safety Representation	nobody knew who teh HSR was and even if there was a H&S rep	No
