I Chelsea Bishop am of the opinion that the PCBU has contravened the WHS legislation relating to:

	Alleged Contravention	More information	Was the contravention rectified?
PCBU Alleged Contravention 1	Not maintaining a safe work environment	Workers reported heat stress concerns. Workers report AC has been broken since early 2024. This was reported via TRS internal system in March 2024. Workers report that contractors have attended site on multiple occasions to quote repairs over past 12 months. Workers requested update in Oct 24, reported heat stress in Nov 24, and requested additional update in March 25. Workers report TRS response is that they are working with landlord to repair, however, this has been	No

		occurring for over 12 months. TRS provided 2 portable AC units early 2025 however, these are ineffective for the space (temp reading next to portable 26.6C). Workers report excessive sweating, necessity to drink excessive water and headaches.
