

National Safe Work Month Bunting

MATERIALS NEEDED:

- Double sided tape or stapler and staples
- Matching ribbon or string
 - Scissors
- Blue tac or hooks for hanging

1. Cut out the triangles including the fold over sections.

2. Fold each piece as indicated.

3. Layout alternate patterns and ensure an equal distance between each triangle.

4. Then using double sided tape or a stapler to secure each piece to the ribbon/string inside each fold over section.

5. Do multiple printouts of this pdf to achieve the length required.

6. Hang and decorate with the bunting in equal lengths in a series of scallop shapes.
