**I Elizabeth Anne Dooley and Edward Grue am of the opinion that the PCBU has contravened the WHS legislation relating to:**

	<b>Alleged Contravention</b>	<b>More information</b>	<b>Was the contravention rectified?</b>
PCBU Alleged Contravention 1	Not maintaining safe systems of work	Members reported that they had received a direction to accept the transfer of an inappropriate patient who poses a security risk. Members were concerned that the hospital is not equipped to manage such a patient without risking the health and safety of staff, other patients and the public. Members reported that they were unaware of any risk assessment that had been undertaken prior to the decision to accept the patient.	Yes

		<p>Members reported that they had significant concerns for the safety of their colleagues.</p> <p>The PCBU has confirmed that the patient in question will not be transferred to MBDSMH, and that no direction was issued to authorise the transfer. The PCBU indicated they will investigate how SASMOA members came to believe that such a direction had been issued.</p>
