I Benjamin Reichstein am of the opinion that the PCBU has contravened the WHS legislation relating to:		
Contravention	More information	Was the contravention rectified?
Not maintaining safe systems of work	New injector ports in the batching area were installed. There was not a comprehensive plan to discuss with workers about the new process. No new SOP had been created. As a result a worker followed the old process leading them to get sprayed in milk unexpectedly at 0.8 bars of pressure.	Yes
