I Belinda Heard am of the opinion that the PCBU has contravened the WHS legislation relating to:		
Contravention	More information	Was the contravention rectified?
Not maintaining a safe work environment	Visit was difficult to conduct. The site was busy and appeared understaffed. Manager on site unable to access internal reporting system, unable to see customer abuse reports. Workers said no one had been behind the counter 'recently.'	No
Not maintaining safe plant and structures	Floor was visibly greasy, slip hazard. Workers began mopping during visit. PCBU reported floors are to be replaced soon, aware of the issue.	No
