SafeWork SA

Want to know more
about **Work Health
and Safety** at your
farm or workplace?

Our safety advisors provide a **FREE** service for small to medium-size businesses.

We offer tailored advice to suit the individual needs of your business. Our advisors can spend time with you at a time and location that suits you.

Alternatively, you may like us to present an information session to a group or association.

Use the QR code or go to safework.sa.gov.au/freeadvice for further information or to request an advisor visit.

Our information, advice and support service for you and your employees.
