

**NOTICE OF VARIATION OF A WORK  
HEALTH AND SAFETY UNDERTAKING**

*Work Health and Safety Act 2012*

**Variation to an Enforceable Undertaking between the Regulator and Solar Eggs Farms Pty Ltd accepted on 21/06/2019**

The following variation to the Enforceable Undertaking between the Regulator and Solar Eggs Farms Pty Ltd is proposed:

Under **MT 3.3.3**

**Current:** specifies that Solar Eggs Farms Pty Ltd meet with representatives from South Australian egg producers and present details of the incident, risks associated with the Moba or similar grading machines, and how these risks can be mitigated. SafeWork SA must be given notice of the date and time of the presentation and given the opportunity to attend within 12 months of accepting the terms of the Enforceable Undertaking.

**Reason for variation:** As a result of Covid-19 and the impact of restrictions on Solar Eggs Farms Pty Ltd and South Australian egg producers, an extension of time has been requested from Solar Eggs Farms Pty Ltd to meet the terms of MT 3.3.3 by 8 October 2020.

**Details of variation:** The Regulator had varied clause MT 3.3.3 which now states the timeframe to achieve compliance as..."15 Months from acceptance"...

Variation accepted.
