| Date workplace entered: | 29/05/2026                               |

I Cody Hastings am of the opinion that the PCBU has contravened the WHS legislation relating to:

|                              | Suspected Contravention                                                     | More information                                                                                                                                                                                                                                                                                                                                                                                                       | Was the contravention rectified? |
|------------------------------|-----------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------|
| PCBU Alleged Contravention 1 | Hindering or obstructing the EPH to exercise a right while at the workplace | <p>Builder refused to provide us copies of documents relating to the suspected contravention - failure to adequately consult with the workforce, and breach of traffic management plan.</p> <p>Builder tried to state Safework had advised them they did not have to provide us copies of the relating documents, and that allowing us to 'cite' the related documents - WHS Management Plan - would be sufficient</p> | No                               |

|                              |                                         |                                                                                                                                                                                                                                                                                     |    |
|------------------------------|-----------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----|
|                              |                                         | to comply with their requirements under the WHS Act.                                                                                                                                                                                                                                |    |
| PCBU Alleged Contravention 2 | Not maintaining a safe work environment | <p>Builder had a single traffic controller controlling 2 opposing flowslanes of traffic.</p> <p>A senior safety advisor for the builder was watching this happened and took no steps to rectify the issue.</p> <p>The safety issue was putting the public, and workers at risk.</p> | No |
